- The introduction to Chapter 11 of the Retail Settlement Code is deleted and replaced with the following:

This chapter describes the rights of consumers and retailers to access current and historical valid meter information (i.e., verified meter usage data) and unverified meter data (i.e., raw meter usage data) and related information. This chapter also describes the obligations of distributors in providing access to such information.

- Section 11.1 of the Retail Settlement Code is deleted and replaced with the following:

11.1 Customer Access to Valid Meter Information

- 11.1.1 A distributor shall make the following information available to a consumer within the distributor's service area:

- the distributor's meter number for the meter or meters located at the consumer's service address;
- the consumer's service address;
- the distributor's account number;
- the date of the most recent meter reading;
- the date of the previous meter reading;
- multiplied kilowatt-hours recorded at the time of the most recent meter reading;

- valid usage (kWh/h) for each hour during the billing period for interval-metered consumers;
- an indicator of the read type (e.g., distributor read, consumer read, distributor estimate, etc.); and
- average distribution loss factor for the billing period.

- 11.1.2 Upon written authorization from a consumer located within the distributor's service area, a distributor shall make the information listed in section 11.1.1 available to a retailer that provides electricity to that consumer. A distributor shall make the information listed in section 11.1.1 available to retailers through the EBT System in accordance with section 5.2.

- Section 11.2 of the Retail Settlement Code is deleted and replaced with the following:

11.2 Customer Access to Unverified Meter Data

- 11.2.1 A consumer has the right to access his or her meter in order to obtain unverified meter data, or to assign this right to others, in accordance with any relevant technical specifications and codes.

11.2.2 If a consumer desires regular access to his or her meter in order to obtain unverified meter data, a distributor shall provide access under the following conditions:

- (a) a consumer shall pay the reasonable cost of any software, hardware or other services required for a consumer to obtain direct access to unverified meter data (which may include costs for the installation of a secondary meter access system);
- (b) the timing of consumer access to the meter is negotiable with the distributor; however, a distributor has priority when selecting access windows for the purpose of reading the meter;
- (c) if a distributor's access to the meter is hindered or a consumer's access to the meter corrupts unverified meter data, a distributor may suspend a consumer's right to access until any outstanding problems are resolved;
- (d) a consumer shall bear any cost incurred by a distributor to correct problems caused by a consumer's direct access to the meter; and

Note: Ontario Regulation 207/99 has previously been amended. For the legislative history of the Regulation, see the Table of Consolidated Regulations – Detailed Legislative History at www.e-Laws.gov.on.ca.

1. (1) Section 2 of Ontario Regulation 207/99 is amended by adding the following definitions:

“collection agreement” has the meaning assigned by subsection 1 (1) of the *Taxation Act, 2007*;

“transition time” means, in respect of a corporation, the beginning of the corporation’s taxation year that includes the beginning of 2009.

(2) Section 2 of the Regulation is amended by adding the following subsections:

(2) A corporation is an eligible corporation at a particular time in a taxation year for the purposes of subsection (3) and sections 12.1 and 12.2 if the corporation is liable to make a payment under section 89, 90 or 93 of the Act for the taxation year.

(3) A partnership is an eligible partnership at a particular time for the purposes of sections 12.1 and 12.2 if each member of the partnership is, at that time,

2. Section 3 of the Regulation is amended by striking out “sections 4, 5 and 7 to 16.1” at the end and substituting “sections 4, 5 and 6.2 to 16.1”.

3. Section 6 of the Regulation is amended by striking out “sections 7 to 16.1” at the end and substituting “sections 6.1 to 16.1”.

4. The Regulation is amended by adding the following section immediately after section 6:

6.1 The following rules apply for the purpose of determining the amount of the payment required by subsection 90 (1.0.1) of the Act for a taxation year ending after December 31, 2008:

1. The *Taxation Act, 2007* applies,

i. as if a collection agreement were not in effect, and

ii. as if each adjustment required to be made under or because of any of sections 7 to 16.1 of this Regulation were, to the extent applicable, made for the purposes of the Federal Act.

2. The amounts determined under the Federal Act or the *Corporations Tax Act* for the purposes of subdivision d of Division B of Part III of the *Taxation Act, 2007* are deemed to be those amounts as determined for the purposes of section 89 or 90 of the Act, as the case may be.

3. There must be added to the amount otherwise determined as “F” in subsection 48 (4) of the *Taxation Act, 2007* in respect of a corporation the amount, if any, by which the amount that the corporation was, for the purposes of section

4. There must be added to the amount otherwise determined as “T” in subsection 48 (6) of the *Taxation Act, 2007* in respect of a corporation the amount, if any, by which the amount that the corporation was, for the purposes of subsection 90 (1) of the *Electricity Act, 1998*, entitled to deduct under section 14 of this Regulation for its taxation year immediately preceding its transition time exceeds the amount deducted under that section for that taxation year for the purposes of subsection 90 (1) of the Act.
5. The rules in section 5 apply in so far as the Federal Act and the Federal Regulations are relevant for the purposes of the *Taxation Act, 2007*.
6. Despite any other provision of this Regulation, a corporation’s taxable income for the taxation year is equal to the amount that is, for the purposes of section 89 of the Act, the corporation’s taxable income for the year under the Federal Act, except to the extent that there is a difference in the amounts resulting from the application of section 110 of the *Taxation Act, 2007*.

5. The Regulation is amended by adding the following section immediately after the heading “Modifications Applicable to Payments under Sections 89 and 90 of the Act”:

1. The Federal Act, the *Corporations Tax Act* and the *Taxation Act, 2007* apply to the corporation for the year as if the corporation were not exempt from tax under any of those statutes throughout the taxation year and throughout each previous taxation year for which payments were required under sections 89 and 90 of the Act.
2. Except for the purpose of applying subsection 149 (10) of the Federal Act, the corporation is considered to be exempt from tax under each of the statutes listed in paragraph 1 throughout each taxation year for which a payment is not required under sections 89 and 90 of the Act.

7. Subsection 13 (2) of the Regulation is revoked and the following substituted:

(2) For the purposes of this Regulation, the 2009-2010 day school average daily enrolment of elementary school pupils of a board is the day school average daily enrolment for the board determined under section 2 of the 2009-2010 A.D.E. regulation, counting only the elementary school pupils of the board.

(3) For the purposes of this Regulation, the 2009-2010 day school average daily enrolment of secondary school pupils of a board is the day school average daily enrolment for the board determined under section 2 of the 2009-2010 A.D.E. regulation, counting only secondary school pupils of the board who are under 21 years of age on December 31, 2009.

(4) For the purposes of this Regulation, the day school full-time equivalent enrolment for a board as of October 31, 2009 is determined using the formula,

“B” is the amount equal to 0.5 times the number of half-time pupils of the board enrolled on October 31, 2009,

“C” is the total of all amounts each of which is an amount determined for a part-time pupil of the board enrolled on October 31, 2009, other than a secondary school pupil who is at least 21 years of age on December 31, 2009, equal to the number of minutes for which the pupil is registered for classroom instruction in the cycle that includes October 31, 2009, in a course other than an independent study course, and

“D” is the amount determined by multiplying the number of days in the cycle described in the definition of “C” by 300.

(5) If this Regulation requires that pupils be counted but does not provide that the count be on the basis of average daily enrolment or on the basis of full-time equivalent enrolment, each pupil, whether full-time, half-time or part-time, must be counted as one.

Level of accuracy

6. (1) A count of pupils for the purposes of this Regulation on the basis of average daily enrolment or on the basis of full-time equivalent enrolment must be accurate to two decimal places.

(2) Pour l'application du présent règlement, l'effectif quotidien moyen de jour des élèves de l'élémentaire d'un conseil pour 2009-2010 correspond à l'effectif quotidien moyen de jour du conseil calculé conformément à l'article 2 du règlement sur l'effectif quotidien moyen de 2009-2010, en ne comptant que les élèves de l'élémentaire du conseil.

(6) Malgré le paragraphe (5), si le programme que remplace un programme d'enseignement admissible dispensé par le conseil était un programme d'enseignement dispensé par le ministère dans l'établissement, la somme calculée par ailleurs en application du présent article au titre du programme d'enseignement admissible peut être augmentée de la somme que le ministre estime appropriée compte tenu des coûts raisonnables que doit engager le conseil en ce qui concerne les dépenses rattachées au programme qui étaient engagées auparavant par le ministère et qui ne sont pas mentionnées au paragraphe (5).

(7) Malgré les paragraphes (5) et (6), la somme calculée par ailleurs en application du présent article pour un programme d'enseignement admissible est réduite de la somme que le ministre estime indiquée compte tenu des frais raisonnables que le conseil engage à l'égard du programme si celui-ci, selon le cas :

(4) Toute fraction non dépensée de la demande d'équipement personnalisé approuvée à l'égard de l'élève est déduite de la somme calculée en application du paragraphe 20 (2) pour l'ancien conseil et est ajoutée à la somme calculée en application du même paragraphe pour le nouveau conseil.

(5) Le paragraphe (6) s'applique si l'élève réunit les conditions suivantes :

(6) La somme totale liée aux demandes pour incidence spéciale approuvées pour les élèves du conseil visé à l'alinéa (5) a) est réduite dans la proportion éventuelle que le ministre estime indiquée compte tenu des frais que chaque conseil engage pendant l'exercice relativement au programme d'enseignement à l'enfance en difficulté dispensé à l'élève, et la somme liée aux demandes pour incidence spéciale approuvées pour les élèves du conseil visé à l'alinéa (5) b) est augmentée dans la même proportion.

(3) Pour l'application du présent article, la dépense nette qu'un conseil engage pour faire l'acquisition d'immobilisations au cours de l'exercice est calculée en déduisant les sommes suivantes de la dépense qu'il engage pour faire l'acquisition d'immobilisations au cours de cet exercice :

1. Les sommes éventuelles virées du fonds de réserve pour les installations d'accueil pour les élèves au cours de l'exercice.
2. Les sommes éventuelles virées, au cours de l'exercice, du fonds de réserve du produit de disposition ou du fonds de réserve du produit de disposition des écoles dont le coût des réparations est prohibitif et qui sont affectées au cours de cet exercice à des dépenses engagées pour faire l'acquisition d'immobilisations.
3. Les sommes éventuelles virées d'autres réserves au cours de l'exercice, autres que les fonds de réserve de redevances d'aménagement scolaires, et que le conseil a affectées au cours de cet exercice à des dépenses engagées pour faire l'acquisition d'immobilisations.
4. Les recettes éventuelles provenant d'autres sources que le conseil reçoit au cours de l'exercice et qu'il affecte au cours de cet exercice à l'acquisition d'immobilisations.

(4) Le présent article ne doit pas être interprété de façon à limiter la somme que le conseil peut affecter à l'acquisition d'immobilisations.

Dépenses d'administration et de gestion maximales

61. (1) Le conseil scolaire de district veille à ce que les dépenses nettes d'administration et de gestion qu'il engage au cours de l'exercice ne soient pas supérieures à son plafond fixé des dépenses d'administration et de gestion.

(2) Le plafond des dépenses d'administration et de gestion du conseil pour l'exercice correspond au total de ce qui suit :

- a) la partie de la somme liée au redressement pour baisse des effectifs qui est éventuellement versée au conseil et que ce dernier affecte au plafond des dépenses d'administration et de gestion;
- b) l'élément administration et gestion du conseil pour l'exercice.

(3) Pour l'application du présent article :

- a) constitue une dépense d'administration la dépense du conseil qui est classée comme telle dans le plan comptable uniforme du ministère, daté de septembre 2008, que l'on peut consulter de la manière indiquée au paragraphe 3 (8);
- b) constitue une dépense de gestion la dépense du conseil qui est classée comme telle dans le plan comptable uniforme du ministère, daté de septembre 2008, que l'on peut consulter de la manière indiquée au paragraphe 3 (8).

(4) Pour l'application du présent article, les dépenses nettes d'administration et de gestion qu'un conseil engage au cours de l'exercice sont calculées de la manière suivante :

1. Calculer le total des dépenses d'administration et des dépenses de gestion que le conseil engage au cours de l'exercice.
2. Additionner la part de la somme visée au paragraphe 233 (1) de la Loi qui se trouve dans le fonds de réserve du conseil le 31 août 2010, avant le virement prévu au paragraphe 233 (2) de la Loi, qui est imputable aux dépenses d'administration et de gestion et la somme calculée en application de la disposition 1 du présent paragraphe.
3. Déduire les sommes suivantes du total obtenu en application de la disposition 2 :
 - i. Les sommes éventuelles virées de réserves au cours de l'exercice qui sont imputées aux dépenses d'administration ou de gestion du conseil.
 - ii. Les recettes éventuelles provenant d'autres sources que le conseil reçoit au cours de l'exercice et qu'il affecte au cours de cet exercice à ses dépenses d'administration ou de gestion.

2. The Regulation is amended by adding the following sections:**Transition ratios 2009**

2.2 (1) This section applies for the 2009 taxation year if, in comparison to 2008, the percentage of total tax revenue for 2009 derived from tax on property in a class other than a specified residential class would be lower in 2009 if the unadjusted tax ratios for 2009 were applied.

(2) If this section applies, the City may establish a tax ratio for 2009 for the property class referred to in subsection (1) that is greater than the unadjusted tax ratio for the class but not greater than the transition ratio determined for the class under this section.

(3) If the City establishes a tax ratio for a property class under subsection (2), the transition ratios determined under this section apply to the City for 2009 except for the purposes of,

(a) the specified residential classes; and

(b) an optional property class if 2009 is the first year in which the optional property class applies in the City.

(4) The following rules apply for the purposes of this section:

1. The total assessment of the properties in a property class for 2008 includes all assessments made for the purposes of taxation for 2008 that are made after the return of the roll for 2008.

ii. the City also excludes the assessment of the property in determining the total assessment of the properties in the property class for 2008.

3. An optional property class is considered to be a separate property class for the purposes of subsection (4).

(5) Subject to sections 2.3 and 2.4, the transition ratio for a property class for the purposes of subsection 275 (8) of the Act is determined as follows:

1. Multiply the unadjusted tax ratio for the property class for 2009 by the amount of the total assessment of the properties in that property class for 2009.

2. Multiply the unadjusted tax ratio for the property class for 2009 by the amount of the total assessment of the properties in that property class for 2008.
3. Determine the weighted reassessment change for the specified residential classes by dividing "A" by "B" where,
 - "A" is the sum of all amounts each of which is an amount determined under paragraph 1 for a property class included in the specified residential classes, and
 - "B" is the sum of all amounts each of which is an amount determined under paragraph 2 for a property class included in the specified residential classes.
4. Determine the weighted reassessment change for the commercial classes by dividing "C" by "D" where,
 - "C" is the sum of all amounts each of which is an amount determined under paragraph 1 for a property class included in the commercial classes, and
 - "D" is the sum of all amounts each of which is an amount determined under paragraph 2 for a property class included in the commercial classes.

 - "E" is the sum of all amounts each of which is an amount determined under paragraph 1 for a property class included in the industrial classes, and
 - "F" is the sum of all amounts each of which is an amount determined under paragraph 2 for a property class included in the industrial classes.
6. For each property class that is not included in the specified residential classes, the commercial classes or the industrial classes, determine the weighted reassessment change for the property class by dividing the amount determined under paragraph 1 for the property class by the amount determined under paragraph 2 for the property class.
7. Determine the adjustment factor for each property class by dividing "G" by "H" where,
 - "G" is,
 - (a) the weighted reassessment change for the commercial classes as determined under paragraph 4 if the property class is included in the commercial classes,
 - (b) the weighted reassessment change for the industrial classes as determined under paragraph 5 if the property class is included in the industrial classes, or
 - (c) the weighted reassessment change for the property class as determined under paragraph 6 if the property class is not included in the specified residential classes, the commercial classes or the industrial classes, and
 - "H" is the weighted reassessment change for the specified residential classes as determined under paragraph 3.
8. Determine the transition ratio for the property class for 2009 by dividing the unadjusted tax ratio for the property class for 2009 by the adjustment factor for the property class determined under paragraph 7.

1. The prescribed average transition ratio for the commercial classes is the weighted average of the 2009 transition ratios for the property classes within the commercial classes.
2. The prescribed average transition ratio for the industrial classes is the weighted average of the 2009 transition ratios for the property classes within the industrial classes.

(2) For the purposes of subsection (1), the weighted average of the 2009 transition ratios shall be calculated using the formula in subsection 275 (12) of the Act, except that the phrase "tax ratios" in the portion before paragraph 1 shall be read as "transition ratios" and the phrase "tax ratio" in paragraph 1 shall be read as "transition ratio".

(3) This section does not apply to determine transition ratios for the commercial classes or industrial classes, as the case may be, in the first year an optional property class applies in a municipality.

3. (1) Subsection 3 (4) of the Regulation is amended by striking out “for the 2007 or 2008 taxation year” in the portion before the formula and substituting “for a qualifying taxation year”.

(2) Subsection 3 (5) of the Regulation is revoked.

2. As a result of Part XII of the Act, the taxes for the property in the previous year were lower than the property's uncapped taxes for that year, but in the current year, if Part XII of the Act applied, the property's taxes would be equal to its uncapped taxes, or a tax decrease for the property would be limited.
3. A tax decrease for the property in the previous year was limited under Part XII of the Act, but in the current year, if Part XII of the Act applied, the property's taxes would be equal to its uncapped taxes, or a tax increase for the property would be limited.

1. (1) Paragraph 5 of subsection 15 (1) of Ontario Regulation 347/02 is revoked and the following substituted:

5. The general accreditation period of either a consecutive or a concurrent program and each renewal is seven years or such shorter period of time as may be requested by the permitted institution that provides the program or agreed to by the Accreditation Committee and the permitted institution.

(2) Subsection 15 (2) of the Regulation is amended by adding the following clause:

- (0.a) the day agreed to by the Accreditation Committee and the permitted institution, as long as the day is not later than one year after the current accreditation period or renewal period would otherwise end;

2. The Regulation is amended by adding the following section:**Accreditation period, harmonization**

15.1 (1) On May 1, 2009, the current general accreditation period of any program that, on or before that day, has been granted general accreditation is deemed to be extended to seven years or such shorter period of time as may be requested by the permitted institution that provides the program or agreed to by the Accreditation Committee and the permitted institution.

(2) If, on May 1, 2009, a permitted institution provides more than one program that has been granted general accreditation, then,

- (a) despite subsection (1) and paragraph 5 of subsection 15 (1), the current general accreditation period of every such program shall expire on the next earliest expiry date of any such program's general accreditation period; and
- (b) subsequently, the programs shall have the same general accreditation period for every period or renewal.

(3) If a permitted institution provides one or more programs that have been granted general accreditation and subsequently, another program of the institution is granted general accreditation, then,

- (a) despite paragraph 5 of subsection 15 (1), the first general accreditation period for that program shall expire on the same day that the general accreditation period for the permitted institution's other program or programs next expires; and
- (b) subsequently, the program shall have the same general accreditation period as the other program or programs provided by the permitted institution for every period or renewal.

(4) Despite anything in this section, if the accreditation period of a program provided by a permitted institution is deemed to continue under subsection 15 (2) until a day determined under that subsection, and the permitted institution provides more than one program that has been granted general accreditation,

- (a) the next accreditation period for that program shall begin on the day a decision is issued by the Accreditation Committee and expire on the same day that the general accreditation period for the permitted institution's other program or programs next expires; and
- (b) subsequently, the program shall have the same general accreditation period as the other program or programs provided by the permitted institution for every period or renewal.

(5) If clause (2) (a), (3) (a) or (4) (a) would result in a program having a general accreditation period of less than one year, then for the next general accreditation period, no renewal application or review is required and the program's accreditation is deemed to be renewed.

3. (1) Subsection 28 (1) of the Regulation is revoked and the following substituted:

- (1) The accreditation period for a program of additional qualification shall be determined by the Registrar and shall be at least 180 days but not more than five years.

4. The Regulation is amended by adding the following section:

Registrar may monitor and report

29.1 (1) The Registrar may monitor a program accredited under section 27 for the purpose of assessing whether the requirements for accreditation continue to be satisfied, and if as a result of the monitoring the Registrar has reason to believe that a requirement is no longer being satisfied and that it cannot be satisfied, he or she shall promptly report the matter to the Council.

(2) The Registrar may monitor a program for which accreditation was granted with one or more conditions under section 27 for the purpose of assessing the provider's progress in satisfying the conditions, and if as a result of the monitoring the Registrar has reason to believe that a condition has not been or cannot be satisfied, he or she shall promptly report the matter to the Council.

(3) Before reporting a matter to the Council under subsection (1) or (2), the Registrar shall discuss the matter with the provider and shall take into consideration any steps taken or proposed to be taken by the provider to satisfy a requirement or condition.

5. Subsections 31 (2) and (3) of the Regulation are revoked and the following substituted:

(2) If the provider wishes to renew the accreditation of the program, it shall, within 15 business days of receiving the notice under subsection (1), submit the name of the program to the Registrar.

(3) The Registrar shall, at his or her option, review,

- (a) every program identified under subsection (2); or
- (b) a sample of the programs identified under subsection (2).

(4) Within 15 business days of receiving the name of a program under subsection (2), the Registrar shall inform the provider,

- (a) whether he or she has chosen to review the program; and
- (b) if the Registrar has chosen to review a sample of programs, which programs are included in the sample and which programs the sample represents.

(5) For each program chosen for review under subsection (4), the provider shall, before the end of the program's accreditation period, apply for the renewal of the program's accreditation by submitting the renewal fee prescribed by the College by by-law and,

- (a) the documents described in paragraphs 1, 2 and 3 of subsection 25 (3), if the provider has experienced a change in the governance and accountability structures relating to the program; or
- (b) the documents described in paragraphs 1 and 3 of subsection 25 (3), if the provider has not experienced a change in the governance and accountability structures relating to the program.

(6) If the Registrar chooses to review a sample of programs, the applications for the programs included in the sample are deemed to be the applications for all the programs that the sample represents.

(7) A review of a sample of programs shall include a review of at least 25 per cent of the programs from each Schedule set out in Ontario Regulation 184/97 (Teachers Qualifications) made under the Act that the sample represents.

(8) If the Registrar chooses to review a sample of programs and determines that a program does not fully satisfy the requirements for accreditation, the Registrar may choose additional programs for review, and for each program chosen the provider shall submit the renewal fee prescribed by the College by by-law and the information specified in subsection (5).

(9) Upon completing a review of a sample of programs, the Registrar may renew the accreditation of all, some or none of the programs that the sample represents.

(10) Sections 26 to 30 apply with necessary modifications in respect of a program of additional qualification that the Registrar reviews under this section.

6. Subsection 33 (1) of the Regulation is revoked and the following substituted:

(1) The Council shall notify the Accreditation Committee and the provider of a program if the Council has reason to believe that,

- (a) a provider has substantially changed the character, duration or components of the program;
- (b) the program no longer meets the accreditation requirements; or

(c) the program has failed to meet a condition imposed on its grant of accreditation.

7. (1) Subject to subsection (2), this Regulation comes into force on the day it is filed.

(2) Section 5 comes into force on April 1, 2010.

Durée de l'agrément : harmonisation

15.1 (1) Le 1^{er} mai 2009, la durée de l'agrément général en vigueur de tout programme ayant reçu l'agrément général au plus tard ce jour-là est réputée portée à sept ans ou à la période plus courte que demande l'établissement autorisé qui offre le programme ou celle dont ont convenu le comité d'agrément et l'établissement autorisé.

4. Le Règlement est modifié par adjonction de l'article suivant :

Registrateur : contrôle et rapport

29.1 (1) Le registrateur peut contrôler un programme agréé en application de l'article 27 afin d'établir s'il continue de satisfaire aux conditions d'agrément. (2) Le registrateur peut contrôler un programme ayant reçu un agrément assorti d'une ou de plusieurs conditions en application de l'article 27 afin d'établir les progrès accomplis par le fournisseur pour satisfaire à ces conditions. Si, par suite de ce contrôle, le registrateur a des motifs de croire qu'il n'a pas été ou ne peut être satisfait à une condition, il en fait promptement rapport au conseil.

(3) Avant de faire rapport au conseil en vertu du paragraphe (1) ou (2), le registrateur s'entretient de la question avec le fournisseur et tient compte des mesures que le fournisseur a prises ou se propose de prendre afin de satisfaire à une condition.

- b) les documents énumérés aux dispositions 1 et 3 du paragraphe 25 (3), s'il n'y a pas eu de changement dans les structures de régie et de responsabilisation du fournisseur qui concernent le programme.

(6) Si le registrateur décide d'examiner un échantillon de programmes, les demandes visant les programmes compris dans l'échantillon sont réputées viser tous les programmes que l'échantillon représente.

(7) L'examen d'un échantillon de programmes comprend l'examen d'au moins 25 pour cent des programmes figurant à chaque annexe du Règlement de l'Ontario 184/97 (Teachers Qualifications) pris en application de la Loi, que l'échantillon représente.

(8) S'il décide d'examiner un échantillon de programmes et établit qu'un programme ne satisfait pas entièrement aux conditions d'agrément, le registrateur peut choisir des programmes additionnels en vue d'un examen. Pour chaque programme choisi, le fournisseur verse les droits de renouvellement que l'Ordre prescrit par règlement administratif et fournit les renseignements précisés au paragraphe (5).

(9) Après avoir terminé l'examen d'un échantillon de programmes, le registrateur peut renouveler l'agrément de la totalité ou de certains des programmes que l'échantillon représente ou ne renouveler l'agrément d'aucun d'entre eux.

1. Adopter un règlement administratif ou une résolution concernant un paiement.

(2) Le ministre peut approuver les choses énumérées au paragraphe (1) pour l'application de celui-ci et il peut imposer toutes les conditions qu'il estime nécessaires.

(3) Malgré le paragraphe (1), un conseil isolé peut, en cas d'urgence, faire une des choses qui y sont énumérées.

(4) Le paragraphe (1) n'a pas pour effet d'empêcher le conseil isolé de s'acquitter de ses obligations aux termes des contrats qu'il a conclus avant le 1^{er} juin 2009.

(5) Les dispositions 5 et 6 du paragraphe (1) n'ont pas d'incidence sur la relation d'emploi entre un employé et un conseil ou sur les droits respectifs qu'ils ont l'un contre l'autre et les obligations respectives qu'ils ont l'un envers l'autre, notamment aux termes d'une convention collective.

(6) Les membres, les agents, les employés et les mandataires d'un conseil isolé doivent, sur demande, permettre au ministre ou à un représentant de son conseil successeur :

(2) Malgré le paragraphe 4 (3) du Règlement de l'Ontario 99/02 (Évaluation du rendement des enseignants) pris en application de la Loi, la première année pendant laquelle un conseil successeur emploie un enseignant auquel s'applique le présent article n'est pas une année d'évaluation si la dernière année d'évaluation de cet enseignant a eu lieu dans les quatre années précédant la fusion du conseil isolé avec le conseil successeur.

Calendrier scolaire

13.8 Le ministre peut réviser le calendrier scolaire d'une école d'un conseil isolé pour l'année scolaire 2009-2010, auquel cas il en informe ce conseil et son conseil successeur.
